SECOND INFORMATION DISCLOSURE STATEMENT

Sir:

The above-identified U.S. patent application corresponds to European Appl. No. 03 016569.0. A Search Report issued on February 17, 2004 in connection with the European application. The European searcher identified four references as being relevant. One of those references and the U.S. equivalent of another of the references was cited in the Information Disclosure Statement that was filed with this application. The other two references cited in the European Search Report have been listed on the attached copy of Form PTO-1449. The Examiner is requested to consider these references during the examination and to make the references of record.

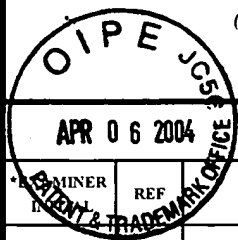

Respectfully submitted,

Gerald E. Hespos, Esq.
